## SUMMARY

---

Motivated and detail-oriented WebDeveloper with hands-on experience in building responsive, user-friendly, and functional web applications. Skilled in HTML, CSS, JavaScript, React.js, and MERN Stack, with a solid understanding of both front-end and back-end development. Strong problem-solving skills, quick learner, and passionate about delivering innovative digital solutions

## INTERNSHIP & CERTIFICATION

---

### MERN Stack Intern – Techolas Technology

- Gained hands-on experience in developing full-stack applications using MongoDB, Express.js, React.js, and Node.js.
- Worked on real-world projects, applying CRUD operations, API integration, and deployment best practices.
- Strengthened problem-solving and teamwork skills in a collaborative environment.

## PROJECTS

---

### Bite Food | HTML, CSS, JavaScript

- A responsive food delivery website designed with interactive UI and smooth navigation.
- Implemented clean layouts, menu pages, and order section to enhance user experience.

### To-Do List | JavaScript

- A task management web app enabling users to add, edit, and delete tasks.
- Focused on simplicity, usability, and persistent task storage.

### Bite Food | HTML, CSS, JavaScript

- Full-featured e-commerce platform showcasing men's, women's, and kids' clothing.
- Built with dynamic product rendering, category filters, and modern UI components.

### Doctor Appointment Booking System | MERN Stack

- A complete web solution for booking and managing doctor appointments.
- Features user authentication, scheduling, and database integration with MongoDB.
